## GARDEN

## MENU

### Welcome to the Old Horns Inn!

All our food is cooked fresh on the premises using local suppliers & as much locally sourced produce as possible. Please look out for our 'Non gluten containing ingredients' section & ask a member of staff. We cook these dishes in an environment where other dishes containing gluten are prepared.

### Eating outside in the garden? no problem!

This menu has been designed to keep everything flowing smoothly and is a slightly smaller menu. All these meals and snacks will be served in a basket, meaning no heavy plates will be carried by the team, meaning faster service and of course...happy servers!!!! If you would like the full menu, then please see your server about a table inside, this is of course depending on availability.
